Every individual has the potential to create change, whether in their life, their community, or the world. The transformative power of education is what unlocks that potential. Yet, access to high-quality education has been a privilege of the few. Back in 2012, edX realized it was a time for a seismic shift in learning. From the tried and true to the leading edge. From “for some” to “for all.” By opening the classroom through online learning, edX empowers millions of learners to unlock their potential and become changemakers.

From education and certification to benchmarking and best practices in Supply Chain Management, ASCM (previously known as APICS) sets the industry standard. ASCM develops people, people improve supply chains, supply chains improve companies and the whole world economy benefits.
